

Changes coming starting September!

Enrollment and Billing

Enrollment begins in August for classes for the upcoming year. Classes run September- June for the main year with an end of year celebration in June. Classes do continue through the summer, with the addition of weekly camps.

Families enrolled for Fall classes beginning in September have priority enrollment thereafter for the year for classes. You may enroll after September based on availability throughout the year. Classes are billed monthly. Parents can pay through our website and your parent portal, or cards on file will be auto billed.

Once enrolled in a class you maintain your class spot for the duration of the year, September through June. You may cancel enrollment at any time by letting us know before the 20th of each month in writing that you are no longer continuing.

Classes will perform and end of year celebration in June to culminate their hard work and dedication though the year.

Classes and camps will run July and August on a flexible schedule.

Billing details

- We have moved to rolling monthly enrollments, in an auto-billing format. Once you sign up for a class you have that spot until you tell us otherwise, in written format. Details below:
 - On the 15th of each month, all currently enrolled students will be reenrolled for the following month. It is assumed that you are continuing your enrollment until we hear otherwise. To unenroll, send an email prior to the 20th of the month to let us know you are no longer continuing.
 - On the 20th of each month payment is due for the upcoming month. All credit cards on file will be set to auto bill monthly for classes. If you signed up via the parent portal your credit card is securely stored for auto-billing. You can log in and pay before the 20th or we will run the card on file on the 20th.
 - If there is not a card on file, the student will be dropped from the class, and the spot will open up for open enrollment. There are no late fee's as students will be dropped if payment is not received by the 20th.
 - On the 21st of each month, all classes with space, will open for online enrollment, through our online parent portal or via phone at 360-733-6969.
 - Registration fees are billed yearly on your anniversary date or at sign up for those new to North Coast Gymnastics. Registration fees are \$35 for one child or \$50 for a family, 2+ children.

Level Changes and Move-Ups

We will have two move ups a year. Our main move up happen in June after the end of year celebration. A second move up is available in January for those that may not have been ready the end of June, but are ready mid-year.

Coaches feedback and level placement will be given in January and June each year.

It is uncommon for athletes to move levels prior to one year of consistent gymnastics classes. Gymnastics specializes in 4 events for women and 6 events for men. Athletes build self-confidence, work ethic, discipline, dedication, develop strength and agility and learn how to work independently as well as part of a team.

Class Time Change to Allow for Transition and Cleaning

Class times have been shortened by 5 minutes in order for coaches to clean and prepare for the next class. Instead of our normal schedule of, i.e. classes running from 4-5PM, then from 5-5:45PM, they will now be run from 4-4:55PM, then from 5-5:40PM.

Tuition rates have not changed. We are dedicated to providing a safe and clean environment for your child to learn and grow in.

COVID Related Updates

In phase 2, Gymnastics facilities are allowed to operate at 25% capacity. We have adjusted our classes and team groups to make this happen. All groups are spaced at least 6 feet apart, and stations are set up at least 6 feet apart for them to rotate and work on skills on. Coaches will monitor and maintain social distancing within the classes.

Class sizes have been reduced in size to allow for increased spacing. Recreational classes, dependent on level will have 4-7 kids, as compared to 6-9 kids prior to COVID.

Coaches and NCGA staff will wear masks at all times while working with gym participant's

- Gym participants are not required to wear a mask during class time, due to the nature of their activity. Gym participants are asked to have a mask available with them for passing in public areas and before and after class time.
- Doors and fans are open and on to allow for increased air flow through the gym.
- Class times have been staggered for entry and exit.
- All gym stations are wiped down and sanitized between groups.
- Parent viewing areas are closed at this time; parents are welcome to walk their child in for class and to get them settled. Adults must wear a mask at all times within our facility.
- Recreational classes will enter through the front door and use the downstairs cubbies.
- Recreational students will exit through the front and side doors, once a parent is visible to release children from the gym.
- Gym is cleaned multiple times throughout the day, and is closed on the weekend to allow for deep cleanings.
- Parents are asked to monitor their child to make sure they're not ill before coming to class.
 - Health screen prior to coming to class should include:
 - Fever free: 100.4 or higher indicates a fever and you will not be allowed to attend class.
 - If your child has; Cough, rash, shortness of breath, heavy nasal drainage, diarrhea or vomiting within 24 hours of class they must stay home from class.
 - Exposure to someone who tested positive for COVID-19, *refer to COVID guidelines. May not attend class for at least 72 hours and be symptom free or test negative before coming back to class.
 - Please refer to *COVID specific guidelines for details on all COVID specific information and questions.
